

Minutes from Area I Committee Meeting held at Endless Summer, Santa Barbar Harbor, November 6 at 5:30PM

In attendance; Committee Chair Jeff Grange, Vance Newhall, Lisa C. Gilinger, President PHRF So Cal, Steve Clark an interested boat owner, Dirk Freeland of Sundowner.

A short discussion of the procedures for rating reviews was discussed.

Dirk Freeland, using the spread sheet resources available on the PHRF So Cal website, presented a significant amount of data supporting his request for an Area I rating adjustment. After discussion it was decided that Mr. Freeland's request would be approved by a vote of Vance Newhal in favor, Jeff Grange abstaining because he competes against Mr. Freeland and often sails with him, and the decision was forwarded to Mike Wolfe, a member of the Area I committee for his vote.

The meeting was adjourned and the decision was noted as pending Mr. Wolfe's vote for or against the adjustment requested.

After consulting with Mr. Wolfe November 20 it was decided by a favorable vote of all that were without conflicts to allow an Area I adjustment of 12 additional seconds to Sundowner's rating. Regional rated Sundowner at 49. The Area I adjustment brings Sundowner's rating to 61.

Respectfully submitted November 22, 2017

Lisa C. Gilinger
President PHRF So Cal
