Motion to accept minutes as read (M) (S) (P)

Handicapping

Beneteau 36.7 2nd reading for proposed rating change +6/+6/+9
(M) (S) motion to accept proposed rating. (P)

Lizzie B Sail# 97017. Mariah 27 Dick Hampikian owner would like to appeal the -3 second rating adjustment by Area B.

Replacing old mast (5.0" x 3 3/16") with internal stiffening, two spreaders, continuous rod rigging with new SeaTeck mast (5.0" x 3.1") external stiffening (5 1/8 x 3. 3/16") three spreaders, non-continuous rod rigging. Both rigs will be weighed. Area B made a -3 second adjustment to the rating for the change to non-continuous rod rigging. Boat is extremely well prepared (bottom and new sails every 6 months) Crew is highly experienced.

(M) (S) to sustain Area B rating adjustment. (P) 8 - 0

Margaritaville current rating -63/-69/-75

Requesting to rated same as Pendragon IV -51/-54/-60

Has aluminum rig not carbon rig like the TP 52'S. Presented race results from Burger Series and San Diego Yachting Cup. (M) (S) (P) -60/-66/-72 Release from TP52 box rule 1st reading.

J 130 BEBE Shoal draft rating changed to 30/24/21 Manu type is J130 SDALODR (M) (S) (P)

SISU CAT 27T O/B. Rating corrected to 189 (M) (S) (P) 201 base for O/B -6 for tall rig and -6 for o/s hs

Data System. No progress on data base for website.

Displacement. (M) (S) (P) to have a definition for displacement and guidelines for reporting changes in displacement. Cole Price will draft a definition and e-mail it to the regional for their review and comments.

Area Reports

Area A J24 give a -6 area rating for A1 and A2

Area B - J80, 1st reading for area adjustment to buoy of -6.
